S

My favorite **store** is City Market. It is a grocery store.

P

I like this store because it has many kinds of **groceries**.

P

I can buy interesting **ingredients** there. I often cook

P

**dishes** from my **country**. City Market has a big

S

**selection** of rice and fresh **vegetables**. I like to buy

P

fresh, not frozen, vegetables and meat, but the meat at

City Market is expensive, so I don't buy much. The store  
 is near my **house**, and I can walk to it. The **people** are  
 friendly and helpful.

#### *Maya's English Experience*

Five years ago, Maya moved to Canada with her young children. They couldn't speak English. Her

children started school and learned English very quickly. Maya didn't study English and could just say basic, common sentences. She only understood people who spoke very slowly and used simple language.

Maya felt very frustrated. She heard about an evening English program at a local community center. She enrolled and began to study. At first, she couldn't understand or say very much. But slowly she got better. She was excited when she went shopping and could have short conversations with the cashier. Her kids were also excited. They could talk to her in English.

Today Maya's English is pretty good. She can talk to friends and neighbors. She watches TV and can understand a lot of it. Maya and her kids speak to each other in both English and their native language. She can switch back and forth very easily. Maya encourages friends to take classes. She says, "Don't worry.
